3. On February 14, 2017, the reporting person was granted 20,000 performance-based restricted stock units subject to both a performance-based condition and a time-based vesting schedule. The grant provided that if, on or before the fourth anniversary of the transaction date of February 14, 2017, the average of the closing prices per share of OCN Common Stock for a period of twenty consecutive trading days, plus the amount of any dividends paid on a share of OCN Common Stock on or before the last day of that period, equaled or exceeded \$11.72, the restricted stock units would vest in four annual installments on the first, second, third and fourth anniversaries of February 14, 2017 (in each case, if such anniversary date occurs before the date that the stock price-based vesting condition is satisfied, the vesting of that installment will occur on the satisfaction of the stock price-based vesting condition).
