

## Ocwen Board of Directors Authorizes \$50 Million Share Repurchase Program

May 23, 2022

WEST PALM BEACH, Fla., May 23, 2022 (GLOBE NEWSWIRE) -- Ocwen Financial Corporation (NYSE: OCN) ("Ocwen" or the "Company"), a leading non-bank mortgage servicer and originator, today announced that on May 20, 2022, its Board of Directors authorized a share repurchase program for an aggregate amount of up to \$50.0 million of the Company's issued and outstanding shares of common stock.

Glen A. Messina, President and CEO, said, "The share repurchase program demonstrates the Board's confidence in our Company and our ongoing commitment to creating shareholder value. As we have previously said, we believe our recent share price is currently undervalued and does not reflect our financial position, earnings power or the strength of our balanced business model."

Under the share repurchase program, Ocwen is authorized to repurchase its outstanding common stock through open market purchases. The timing and execution of any share repurchases are subject to market conditions, among other factors, and the Company may modify, discontinue or suspend the repurchase program at any time. Unless the Company amends the share repurchase program or repurchases the full \$50.0 million amount by an earlier date, the share repurchase program will continue through November 20, 2022. No assurances can be given as to the amount of shares, if any, that the Company may repurchase in any given period.
