⁽⁴⁾ Share numbers have been adjusted to give effect to the Company’s one-for-15 reverse stock split effective August 13, 2020.

The Exhibit Index for this Registration Statement is at page 8.

EXPLANATORY NOTE

The Company previously filed the 2017 Form S-8 with the Securities and Exchange Commission (the “SEC” or the “Commission”) to register the offer of 44,667 shares of Common Stock pursuant to the 2017 Plan.

On April 14, 2021, the Company’s Board of Directors adopted the 2021 Plan. The Company’s shareholders approved the 2021 Plan at the Company’s annual meeting of shareholders held on May 25, 2021 (the “2021 Annual Meeting”). Upon shareholder approval of the 2021 Plan, the Company’s authority to grant new awards under the 2017 Plan terminated. As provided in the 2021 Plan, any shares of the Company’s common stock subject to outstanding restricted stock and restricted stock unit awards under the 2017 Plan that expire, are cancelled or otherwise terminate without such shares being issued after the 2021 Annual Meeting will be available for award grant purposes under the 2021 Plan. As of the date of the 2021 Annual Meeting, 499,536 shares were subject to restricted stock and restricted stock unit awards (each, a “full-value award”) previously granted and outstanding and unvested under the 2017 Plan. As a result, the number of shares that that could become available under the 2021 Plan as a result of the forfeiture, termination or cancellation of such awards outstanding is 599,443 shares as a result of the 2021 Plan’s share counting ratio of 1.2 for full-value awards. The shares that may become available for award grant under the 2021 Plan after the Annual Meeting as a result of the expiration, cancellation or termination of awards then outstanding under the 2017 Plan as of the date of the 2021 Annual Meeting are referred to herein as the “Transferred Shares.” Accordingly, all 44,667 shares of Common Stock initially registered for offer pursuant to the 2017 Plan may become Transferred Shares available for offer under the 2021 Plan.

The Company is filing this Post-Effective Amendment No. 1 to Form S-8 pursuant to SEC Compliance and Disclosure Interpretation 126.43 to amend the 2017 Form S-8 to register the offer of the Transferred Shares under the 2021 Plan (as such shares would no longer be issuable under the 2017 Plan).

Item 6. Indemnification of Directors and Officers.

The Registrant is organized under the laws of the State of Florida and is subject to the Florida Business Corporation Act, or the FBCA. Subject to the procedures and limitations stated therein, Section 607.0831 of the FBCA provides that a director is not personally liable for monetary damages to the corporation or any person for any statement, vote, decision or failure to act, regarding corporate management or policy, by a director unless (a) the director breached or failed to perform his duties as a director and (b) the director's breach of, or failure to perform, those duties constitutes: (i) a violation of criminal law, unless the director had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (ii) a transaction from which the director derived an improper personal benefit, either directly or indirectly; (iii) a circumstance under which the liability provisions of Section 607.0834 of the FBCA, relating to a director's liability for voting in favor of or assenting to an unlawful distribution, are applicable; (iv) in a proceeding by, or in the right of the corporation to procure a judgment in its favor or by or in the right of a shareholder, conscious disregard for the best interest of the corporation, or willful misconduct; or (v) in a proceeding by or in the right of someone other than the corporation or a shareholder, recklessness or an act or omission which was committed in bad faith or with malicious purpose or in a manner exhibiting wanton or willful disregard of human rights, safety or property.

Subject to the procedures and limitations stated therein, Section 607.0850(1) of the FBCA empowers a Florida corporation, such as the Registrant, to indemnify any person who was or is a party to any proceeding (other than any action by, or in the right of, the corporation), by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against liability incurred in connection with such proceeding, including any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 607.0850(2) of the FBCA also empowers a Florida corporation, such as the Registrant, to indemnify any person who was or is a party to any proceeding by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses and amounts paid in settlement not exceeding, in the judgment of the Board of Directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any proceeding referred to in Sections 607.0850(1) or 607.0850(2) of the FBCA, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses actually and reasonably incurred by him or her in connection therewith.

The indemnification and advancement of expenses provided pursuant to Section 607.0850 of the FBCA are not exclusive, and a corporation may make any other or further indemnification of or advancement of expenses to any of its directors, officers, employees or agents under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. However, a director, officer, employee or agent is not entitled to indemnification or advancement of expenses if a judgment or other final adjudication establish that his or her actions, or omissions to act, were material to the cause of action so adjudicated and constitute: (i) a violation of the criminal law, unless the director, officer, employee or agent had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (ii) a transaction from which the director, officer, employee or agent derived an improper personal benefit; (iii) in the case of a director, a circumstance under which the liability provisions of Section 607.0834 of the FBCA, relating to a director's liability for voting in favor of or assenting to an unlawful distribution, are applicable; or (iv) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder.

The Registrant's Amended and Restated Articles of Incorporation provide that the Registrant shall, to the fullest extent permitted by Section 607.0850 of the FBCA, as the same may be amended and supplemented, indemnify any and all persons whom it shall have power to indemnify under Section 607.0850 of the FBCA from and against any and all of the expenses, liabilities or other matters referred to in or covered by Section 607.0850 of the FBCA. Further, the indemnification provided for in the Registrant's Amended and Restated Articles of Incorporation is not exclusive of any other rights to which those indemnified may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

The Registrant has also entered into an indemnification agreement with each of its directors and certain of its executive officers. These agreements require the Registrant to indemnify these individuals to the fullest extent permitted under Florida law against liabilities that may arise by reason of their service to the Registrant, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

The Registrant maintains an insurance policy covering directors and officers under which the insurer agrees to pay, subject to certain exclusions, for any claim made against its directors and officers for a wrongful act for which they may become legally obligated to pay or for which the Registrant is required to indemnify its directors and officers.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the attached Exhibit Index at page 8, which is incorporated herein by reference.

Item 9. Undertakings.

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the registration statement;
 - (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Re: **Registration of Securities of Ocwen Financial Corporation**

Ladies and Gentlemen:

In connection with the registration of up to 44,667 shares of Common Stock of Ocwen Financial Corporation, a Florida corporation (the “Company”), par value \$0.01 per share (the “Shares”), under the Securities Act of 1933, as amended, pursuant to a Registration Statement on Form S-8 filed with the Securities and Exchange Commission on May 24, 2017 as amended by Post-Effective Amendment No. 1 to Form S-8 filed with the Securities and Exchange Commission on or about the date hereof (the “Registration Statement”), such Shares to be issued or delivered pursuant to the Ocwen Financial Corporation 2021 Equity Incentive Plan, the Ocwen Financial Corporation 2017 Performance Incentive Plan, or the Ocwen Financial Corporation 2007 Equity Incentive Plan (each, a “Plan”), you have requested my opinion set forth below.

In my capacity as counsel, I have examined the following originals or copies of those corporate and other records of the Company, among others:

- (a) the Plans;
- (b) the Articles of Incorporation of the Company, as amended to date;
- (c) the Bylaws of the Company, as amended to date; and
- (d) resolutions adopted by the Board of Directors of the Company on May 25, 2021 approving the filing of the Registration Statement.

I have assumed the following: (a) the genuineness of all signatures; (b) the authenticity of all documents submitted as originals; (c) the conformity to authentic original documents of all documents submitted to me as copies; and (d) the truth, accuracy and completeness of the information, factual matters, representations and warranties contained in the records and documents.

On the basis of such examination and my consideration of those questions of law I considered relevant, and subject to the limitations and qualifications in this opinion, I am of the opinion that the Shares have been duly authorized by all necessary corporate action on the part of the Company and, when issued in accordance with such authorization, the provisions of the Plan and relevant agreements duly authorized by and in accordance with the terms of the Plan, and upon payment for and delivery of the Shares as contemplated in accordance with the Plan, and either (a) the countersigning of the certificate or certificates representing the Shares by a duly authorized signatory of the registrar for the Company’s Common Stock, or (b) the book-entry of the Shares by the transfer agent for the Company’s Common Stock in the name of The Depository Trust Company or its nominee, the Shares will be validly issued, fully paid and non-assessable.

The opinion herein is based on and limited to the Florida Business Corporation Act.

I consent to your filing this opinion as an exhibit to the Registration Statement. In giving such consent, I do not admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act and regulations of the Securities and Exchange Commission.
